Hello There,

I hope this email finds you and yours well.

There are many mixed messages regarding the further potential re-opening of schools.

There is a great deal of information for parents to use to help them decide whether or not their child returns to school.

Please refer to government guidance, EJS website and Facebook page. Please also read and understand the EJS Parental Handbook and Home to School Agreement.
My view is that this is your choice as a parent - Your Child Your Choice.

Please note

- We do not yet have a definite further opening date for Y6 children. It always depends on latest guidance.
- Your child will be in a Y6 bubble of six children maximum as that is all our floor space allows per rooms available.
- We cannot guarantee that your child will be with their usual adults or friends or in their usual room. We will do our best to accommodate all needs.
