Seesaw

Remember to crack on with any work you have left to do on seesaw. We are getting closer and closer every day to coming back to school so we need to make sure that we have no gaps in your online learning.

We aren't sure about what is happening over the next few weeks regarding more children coming in to school, we find out on the TV updates the same as you.

Autumn Term

We may need to contact you over the summer holidays with updates So please keep checking your emails. We aim to let you know of any updates ASAP. We don't know how school will look in the Autumn term or what the regulations will be, so we can't say for sure if School will be full time, part time or rotas.

Year 2 / Our new year 3

Please keep your eyes open for videos to answer any questions you may have and to familiarise yourself with EJS. Thankfully we start our transition work early so the children have already had visits and parents have been to visit too. We are also communicating with the year 2 teachers and exchanging paperwork so we can prepare to provide to your needs.

Year 6

Year 6 we have been sending paperwork to your new schools so that they can get to know you and your needs. we are waiting to hear from Netherhall about what transition work they are offering, but like us they are unable to plan much at the moment. Again, we may need to email you updates over the summer.

Year 6 we are still planning on having a get together for you so keep your eyes open. As soon as we are able to be together when social distancing measures are eased, we will!

Netherhall uniforms are available to try on at West Lakes Embroideries. You can order via their shop in town or their facebook page.

Our bubbles in school.

We have 2 bubbles in school at the moment, key workers and year 6. Well done to those children who are managing brilliantly.
