It would be great if you new year 3s could send us a video back after you've watched our videos introducing yourself. We could put them all together and send to the all year 3 so that you can see your new friends and maybe spot your old friends!

Sports week

We hope you have enjoyed sports week and have been taking part in all of our challenges. Well done to Mrs McAllister for organising... we will await the results!

Year 6

Can you believe that it is nearly July? We would like to make a year 6 farewell video for you all to watch. Please send us a video on seesaw saying goodbye and telling us what your favourite EJS moment or memory is, we will put them all together to make a keepsake farewell video – our first virtual wailing wall! Shoutout to Mrs Lister for putting together our videos.

Would also love to see photos of you looking smart in your new school uniform, so please send us them!

Don't forget we are still planning some sort of get together when it is safe to do so.

Awards

We are going to have a virtual awards ceremony this year as we are unable to go to All Souls Church together. Tune in to our schools facebook page for a live assembly on Tuesday 14th July at 2pm.

Free school meals

We have been informed that the free school meal vouchers will continue over the summer holidays. We don't run the programme, it is a national scheme and our understanding is that you should get the vouchers weekly.

London

We are STILL fighting the NST for a refund for our London trip. We believe this to be a national problem and we are looking to forward our case to the financial ombudsman – disgraceful! Please be assured that we will do all that we can.
