

EWANRIGG JUNIOR SCHOOL

PRIME MINISTER ANNOUNCEMENT

10TH MAY 2020

UPDATE ON SCHOOLS OPENING

You will have all heard the Prime Minister's announcement tonight. He has stated that there is potential for year 6 children to start to return to school on June 1st, if science allows.

Rest assured that whatever comes, EJS will always put the needs of our children, our staff and our families at the very front of any decisions that we have to take regarding returning to school. Our strongest desire is for our children, our families and our staff to be safe and well. Your children are your most prized possession and we are privileged that you trust us with them, every day.

I've been plotting for weeks about how this return may look, but I will always accept that whether you send your child back to school or not, is totally your decision as a parent. I totally respect that.

I will also keep you up to date, as soon as I can, about what this return will look like. I think the conditions the children will have to return to may be a shock to them, as it is so different to how usually we run our family based school.

Rest assured that those still learning at home will continue to be given focussed online learning and support through the systems we have set up. Tune in on Facebook live for assemblies on Tuesday and Thursday at 1.00 to find out more.

THANK YOU - STAY SAFE AND WELL, STAY IN!

MISS CRAIG XXX
