

EWANRIGG JUNIOR SCHOOL

ASSEMBLY THURSDAY 4TH JUNE

Mrs Hunton's celebration

English

Well done to Kara P, Zara and Kira. You always try your best with every piece of work that you send. I have received some wonderful booklets and posters about the museums in Maryport.

Grammar

Well done to Kara, who has moved up a level in grammar hammer! Wonderful!

Maths

Well done to Jenson, he completes work as soon as it is put on to Seesaw, all of his work is always neat and he always tries his best. He has also moved up on his Big Maths SAFE. Fantastic!

Ollie has caught up wonderfully after being far behind. I am delighted to say he is now completing his work on the day that its set, which is a great improvement, well done Ollie.

Regan has sent me lots of work all at once! So it is great to see he's starting to catch up – keep it up!

Luke and Oliver are steadily working through their maths and are both trying hard and asking for help if ever it is needed.

Spelling

My super spellers are Jenson, Ollie, Wayde and Mischa, they are all working so hard on suffixes and prefixes.

Children who I haven't heard much from

Gracie C, Lexie B, Kianna, Lexi, Scott, Tamsin, John and Leighton, I haven't heard much from you during lockdown but I would love to hear from you soon! Let me know if you need any help.

Miss Craig's messages

Try your best to catch up on any seesaw work so that when school does start back you don't have any gaps in your learning.

London and Lakeside trips

We've had our Lakeside refund and cheques have been sent out to parents.

We are still fighting for our London refund and we will keep fighting and keep you up to date. Remember it took 2 months to get the lakeside refund.

It's such a shame that we have missed these wonderful trips. It's not the same but there are lots of great virtual tours for' the tourist attractions.

Returning to school

We have 4 children back at school this week who are also watching our assembly with us in school! We would like to say a big 'well done' to our 4 children in school this week. Mrs Chilton tells me that you have been superstars! Let us know if there is anything we can do to improve your time in school.

PPE in school

PPE is available to all staff and children in school and it will be used when appropriate to activities in school.

Year 6

From Monday 8th June we will be getting in touch with year 6 parents. If you wish to send your child to school you will need to complete a booking form. The first year 6 bubble will be with Mr Hope and Mrs Hampson, and if we need to expand and have another bubble for year 6, this will be with Miss Bowman and Mrs Anderson.

As always we will respect your decision - your child, your choice.

We will send any updates as soon as we can.

Seesaw

We've had some lovely poems this week about going back to school from the children, one thing that has been clear is that they have really enjoyed having extra family time.

Great photos from Tilly and Kara. Tilly has been growing potatoes and Kara's been busy growing sunflowers.

Keon has also been looking after lots of beautiful plants!

Hana has something growing from her apple Pip- how exciting!

Jayden has been growing in the garden and he has been making the most of our beach!

Harrison and Bethany have been floating around the Lake District!

Hana and Ben have both been busy painting lovely stones for the stone trail in Maryport.

Evie and Calvin have made photo videos of their time in school from year 3-6. They are wonderful!

We had lovely pictures and messages from Leah.

Hana has been helping around the home-we haven't seen as many of those photos lately! LOL!

Tyler B has also been helping at home raking and tidying his garden. Wonderful!

It's funny how many children have been messaging on seesaw saying how much they miss school- sometimes we don't realise how much we like something until it's gone! Lots of grown-ups say that school days with your friends are the best days of your life.

Year 6 celebration

We haven't organised a Zoom party or virtual celebration for year 6 as we would rather wait and celebrate with you in person when we can. We will organise something when we can, but please don't think we have forgotten about it.

Shout outs

Mrs Chilton has been amazed at Keon who now has a word count of over 4 million! Wonderful!

Miss Craig's task

Design your very own heart! Inspired by Joanne and Julies EJS hearts. Your design can be ANYTHING! let us see your own heart designs and creations! Driving around Maryport its lovely to see our EJS hearts in windows.

NSPCC

There is an assembly on the NSPCC website tomorrow all about resilience and good mental attitude. It features Ant, Dec and David Walliams.

Thank you

Can I just say a big thank you to Kevin and the cleaning team for all of your hard work. Thank you to all of the staff working at home and in school, and last but not least Thank you to our families for all of your support.

Stay safe and well.

Yvonne Craig

Your EJS Head Teacher
