A Poem for Year 6 children - class of 2020 😊

Yesterday is the day that SATs would have started,
The classroom set up and the tables parted,
The rules on the board, the display walls all covered,
Your workbooks away, out of sight in the cupboard,

Instead you are home, you're doing your bit,
Protecting your families from getting sick,
It's important right now, we're in lockdown you see,
Being a part of world history,

You've all worked so hard, you should be so proud,
You've practised your SPAG and times tables out loud,
You've learnt algebra to the Nth degree,
And now the tests, they will no longer be,

Some may be sad that they can't take the tests,
"Hip hip hooray," I've no doubt said the rest,
Whilst the tests are on hold and you stay home this term,
Remember that tests can't measure everything you learn,
And I don't need SATs results to tell me,
How hard you have worked, it's easy to see,

'Lockdown' Year 6, let me shout it out loud,
You've made all your teachers so very proud,
So please continue to learn, fill that brain up full,
And remember, we think you're all wonderful!

SATs don't measure sports
SATs don't measure art,
SATs don't measure music,
Or the kindness in your heart.

SATs don't see your beauty,
SATs don't know your worth,
SATs don't see the reasons,
You were put upon this earth.

SATs don't see your magic,
How you make others smile,
SATs don't time how quickly,
You can run a mile.

SATs don't hear your laughter,
Or see you've come this far,
SATs are just a tiny glimpse,
Of who you really are.

So sitting at your table,
With a pencil and your test,
Remember SATs aren't who you are,
Remember **you're the best!**

STAY WELL, STAY SAFE AND STAY IN!
