

Primary Sports Funding

2013-2014

The impact that physical activity has had on our children 2013-2014:

- **Less accidents and behaviour incidents at dinnertimes.**
- **More children attending extra-curricular sports**
- **100% of children trying new sports**
- **More teams have been involved in inter competitions**
- **Staff are more confident when teaching PE due to INSET training, more specialist coaches therefore the quality of PE has increased.**

Successes

- *Adults at Ewanrigg Junior School have undertaken a lot of training in his/her own time which is not reflected in the funding. They have also given a lot of time to ensure children have a variety of extra-curricular sporting activities.*
- Extra-curricular that were on offer were; Zumba, cooking, cross-country, sports club, gymnastics, boxing, chill factor, horse-riding, golf, outdoor and adventurous activities and bush craft
- Black caps as sports leaders - created a timetable and lead games during dinnertime
- Staff trained in dinner activity games
- Performance management for all mid-day supervisors
