

**NOTE FROM HEAD TEACHER
EWANRIGG JUNIOR SCHOOL
YVONNE CRAIG**

Well, what a strange time to be recruiting for a teacher - using methods that we have never had to use before but Hey Ho! Here's to the brave new digitised world!

You have obviously read our teacher vacancy advertisement and have shown an interest in the post by contacting us to supply you with an application pack. In response to your request for an application pack you will receive by email a Cumbria County Council application form and some guidance. At the end of the CCC application form there is also an Equality Monitoring Form to complete. Please feel free to also include in your application a supplementary letter if you sense there is something about yourself that you have not been able to include on the form.

I am really sorry at this precise moment in time I am unable to offer you a visit to our school but being very Covid conscious, we have as few people on site as possible, so as to try and break the change of potential transmission.

The best way for you to get a feel of what our school is like and then decide if you want to apply is to have a good poke about on our EJS website page. It is full of photos and information about our school and our children.

Here are some links that I strongly recommend you visit and view before you apply.

I look forward to reading your application and to meeting you - even if that is virtually. If you would like a chat to one of the senior leaders, please email head@ewanrigg.cumbria.sch.uk and we will arrange a mutually convenient time to TEAMS or phone.

Good Luck!
