

Primary Sports Funding

2015-2016

In 2015 - 2016 the school receive - £8,815

The impact that physical activity has had on our children 2015-2016:

- All children have access to expert coaching.
- All staff have had quality training therefore teaching of PE and confidence has improved.
- Sports leaders were trained - quality provision at dinnertime play.
- We had very successful sports teams - winning our cluster netball, rugby, hockey and gymnastics competitions.
- 100% of our children were offered canoeing, gyhll scrambling, football, rugby, Zumba, gymnastics, cricket, tennis, hockey, dance, clubbercise swimming, cycling and mountain walking for free throughtout the year.
- All year 6 children completed their 25 metres.
- 100% of children enjoyed PE from the pupils survey.

Future plans - 2016 - 2017 (£8,850)

- Improve the teaching and quality of gymnastics for the children
- Staff to observe and team teach with expert coaches
- Increase children's physical activity experiences
- Sports leaders more involved with
- Every child to run/walk at least a mile per day.
